

THE PMP CERTIFICATION EXAM IS CHANGING IN JANUARY 2016

IIBS is one of the leading PMI® approved Registered Education Provider (R.E.P) based in Mississauga. The Project Management Professional (PMP) ® is the most significant industry-recognized certification for project managers.

IIBS provides project management knowledge through high quality training by Experienced Senior Project Managers, helping professionals and companies not only maximize their project management effectiveness, but also learn the latest techniques used in project management. All our Trainers are Project Management Professional (PMP®) Certified.

Innovations in Business Solutions(IIBS) provides project management knowledge through high quality training, helping professionals and companies not only maximize their project management effectiveness, but also learn the latest techniques used in project management.

The PMP signifies that you talk and appreciate the universal language of project management and connects you to a group of professionals, organizations and experts worldwide.

Who Needs to Attend

If you're a skilled project manager in charge for all aspects of project delivery, leading and directing cross-functional teams, then the Project Management Professional (PMP)® is the right choice for you.

Why you need PMP designation

The Project Management Professional (PMP)® is the most important industry-recognized certification for project managers. PMPs leading projects in nearly every country and, unlike other certifications that focus on a particular geography or domain, the PMP® is truly global.

The PMP also increases the earning potential. PMP certification holders earn 17 percent more than their non-certified peers according to the Project Management Salary Survey

Employers benefit as well. When more than one-third of their project managers are PMP-certified, organizations complete more of their projects on time, on budget and meeting original goals

The PMP signifies that you speak and understand the global language of project management and connects you to a community of professionals, organizations and experts worldwide.

Gain and Maintain Your PMP

- The certification exam has 200 multiple-choice questions, and you have four hours to complete it.
- To maintain your PMP, you must earn 60 professional development units (PDUs) every three years.

Prerequisites:

- Secondary degree (high school diploma, associate's degree or the global equivalent)
- 7,500 hours leading and directing projects

- 35 hours of project management education
- or
- Four-year degree
- 4,500 hours leading and directing projects
- 35 hours of project management education
